

Press Release

SEIL ENERGY EMPOWERS RURAL EDUCATION WITH 1,000 BICYCLES FOR SCHOOL-CHILDREN IN ADDANKI

- **Hon'ble Energy Minister Shri Gottipati Ravi Kumar Garu officially hands over Cycles to the Students**

Nellore, 25th July 2025: In a significant step towards promoting education and enabling better access to schools for rural students, SEIL Energy India Limited, one of the largest independent power producers (IPP) in India, has donated 1,000 bicycles to school-going children in Addanki, Bapatla District, Andhra Pradesh, under its Corporate Social Responsibility (CSR) initiative.

This initiative, aligned with SEIL Energy's CSR key focus area on Education, aims to reduce school dropout rates, particularly among children from underprivileged backgrounds and girl students who often face mobility challenges in remote areas.

The **Hon'ble Energy Minister of Andhra Pradesh, Shri Gottipati Ravi Kumar Garu** formally handed over bicycles on Friday at Zilla Parishad High School (ZPHS), Makkenavaripalem. The Hon'ble Minister also handed over 452 Cycles to the students of ZPHS, Medarametla.

Speaking on the occasion, **Hon'ble Minister Shri Gottipati Ravi Kumar Garu** said: *"We are immensely grateful to SEIL Energy for their generous contribution of 1,000 bicycles. This initiative is a critical enabler in the Government of Andhra Pradesh's larger vision to distribute 10,000 bicycles to underprivileged children, ensuring that no child is denied access to education due to lack of transportation."*

Mr. Janmejaya Mahapatra, CEO, SEIL Energy India Limited, said, *"At SEIL Energy, we believe that education is the most powerful tool for community transformation. Through this initiative, we are not just donating bicycles ---we are helping unlock the future potential of 1,000 children. We are proud to partner with the Government of Andhra Pradesh in advancing this noble and meaningful cause."*

All 1,000 beneficiaries are underprivileged school students from rural areas, and many of them are first-generation learners.

This project is part of SEIL Energy's broader CSR commitment across four key pillars: Education, Health, Decarbonisation and Skill & Entrepreneurship Development. Over the past decade, SEIL Energy's CSR efforts have positively impacted about one million lives through sustainable, inclusive, and community-driven initiatives.

About SEIL:

SEIL Energy India Limited – SEIL – is a leading Independent Power Producer (IPP) committed to contributing towards India's energy security. The company has a successful track record of developing and operating thermal power generation assets in the country. It has a 2.64GW supercritical thermal power generation complex located in SPSR Nellore District, Andhra Pradesh, India.

Led by its strong leadership team, SEIL is a committed and long-term partner in the region's progress. It provides reliable and sustainable power to consumers across the sub-continent. SEIL partners with the government and industry towards supporting India's energy security and developmental goals. With 4X660MW operational units, SEIL is well-positioned to offer best-in-class energy solutions to meet the region's energy needs.
